Welcome back everyone!

A warm welcome to all our new families

I hope you enjoy your time with us.

Hope you all had a lovely Summer break.

Before we begin with what we did over the summer, it is important to mention that the amount of activities would have been very limited this year if we had not had such a huge response to our **Swimathon!** Thanks to the generosity of our families and friends we raised a staggering £4493.17!!! We have been overwhelmed with the success of the Swimathon which, highlights once again how much our services are valued especially in these hard times. Every contribution is greatly appreciated big or small as it is everyone coming together that makes the real difference. The

weather has been a lot kinder to us this year with all the activities running as planned! We have taken many photos over the summer which are available for you to browse or download from the website, please go to www.ntll.co.uk.

We know it is easy to get confused with the Under 5's sessions so please ensure you check the back of this newsletter or use the website for the dates as we would like to avoid someone turning up on the wrong day. Thank you.

Under 5's Group Information
